## About Vanguard Business Education

At Vanguard Business Education, we believe in people. We believe that everyone has the potential to succeed, and we are here to help them do just that. Our customised business skills training and personal development programmes are designed to refresh skills, build confidence and motivate individuals to reach their full potential.

Since 2006, we have been experts in our field, developing systems and courses with sustainable outcomes for our clients. We know that one size does not fit all, which is why we tailor our programmes to meet the specific needs of each individual or organisation we work with. Our team of experienced trainers are passionate about what they do, and they bring that energy and enthusiasm to every training session.

We understand that investing in training can be a big decision, which is why we offer flexible payment options to make it more accessible. Our clients have seen real results from our programmes - increased productivity, improved team morale, enhanced communication and real workplace outcomes. We remain committed to ongoing support and follow-up, ensuring every learner continues to benefit long after the programme has ended.

At Vanguard Business Education, we are not just a training provider - we are a partner in your success.

## Why We Exist

Too many courses are built around old models - rigid, theoretical and slow to evolve. Vanguard Business Education exists for the ambitious realist. People who want results, not red tape. People who want modern, measurable business skills delivered in a way that fits real life.

## Our Story

Vanguard Business Education began in 2006 as KS Training. Our purpose was simple: create learning experiences that genuinely matter in the real world. Over time, we evolved - and so did the professionals we supported.

In 2020, we rebranded as Vanguard Business Education, a name that reflects our mission and the people we serve: forward-thinking, purpose-driven individuals ready to lead with confidence.

## Our Mission

To deliver transformative, nationally recognised business and leadership qualifications that are flexible, practical and backed by real human support - helping learners gain clarity, confidence and career momentum.

## Our Values

**Excellence:** We aim higher than "competent". Training should create lasting change.

**Innovation:** Future-focused learning that keeps students ahead.

**Collaboration:** Built with learners, not just for them.

**Inclusivity:** Talent has no postcode - and neither does potential.

**Integrity:** No hype. Just high-impact education that works.

**Lifelong Learning:** Progress never stops - and neither do we.

## Who We Help

Vanguard Business Education supports learners at every stage of their career:

**Starting your career:** Build foundational business skills and workplace confidence.

**Entering the workforce:** Gain practical, job-ready skills with nationally recognised qualifications.

**Changing careers:** Develop essential skills to transition into a new industry.

**Balancing work and family:** Access fully flexible, self-paced study supported by real trainers and SmartCoach AI.

## Online Learning

This course is delivered online - ideal for busy people who want flexibility without losing support. Learn from any location, at your own pace, with:

- Modern online learning systems
- Virtual trainer support
- SmartCoach AI assistance
- Engaging learning activities
- Real human help whenever you need it

Your investment in learning is an investment in your future. We work diligently to ensure every learner receives the support they need to progress confidently and successfully.

## About This Qualification

The BSB50120 Diploma of Business is a nationally recognised qualification designed for individuals who manage business operations, lead teams or support organisational performance. This programme develops advanced skills across business planning, communication, finance, sustainability, leadership and continuous improvement. Learners gain practical capability in managing people, coordinating resources, developing systems, analysing business risks and driving improvement initiatives.

## Who This Course Is For

This course is ideal for individuals who are:

- Managing business operations or teams
- Supporting organisational performance and development
- Seeking to advance into senior management roles
- Coordinating business resources and projects
- Looking to formalise advanced business management skills
- Looking for a nationally recognised qualification
- Balancing work, family or other commitments

## What You Will Learn

Graduates will gain skills in:

- Strategic thinking and continuous improvement
- Financial management and resource planning
- Sustainability and risk management practices
- Leadership communication and people management
- Operational planning and administrative systems
- Personal and professional development
- Budget and financial plan management
- Team effectiveness and performance management

## Delivery and Study Options

**Mode:** 100% online

**Duration:** Up to 18 months

**Study commitment:** Self-paced with structured support

**Support:** Qualified trainers, online facilitators, SmartCoach AI learning assistance

**Technology requirements:** Desktop or laptop computer with broadband internet and standard office software

## Units You Will Complete

## Career Opportunities

Possible job roles include:

- Business Manager
- Operations Manager
- Project Coordinator
- Office Manager
- Business Team Leader
- Administration Manager

*Completion of this qualification does not guarantee employment.*

## Entry Requirements

There are no formal training package entry requirements. Learners will need:

- Access to a computer or laptop and reliable internet
- Basic digital literacy and computer skills
- Suitable language, literacy and numeracy skills

*A pre-enrolment LLN assessment is required.*

## Fees and Payment Options

**Course fee:** Contact us for current pricing

**Payment options:** Payment plans available

Full details are available in the Fees and Refunds Policy.

## Funding Options

**NSW Smart and Skilled:** This qualification may be available under the NSW Smart and Skilled program for eligible learners.

**Eligibility criteria:**

- NSW resident
- Australian citizen, permanent resident, or eligible visa holder
- 15 years or older (or 17+ for school-based traineeships)
- Not currently enrolled in secondary education (unless traineeship)

*Note: Funding availability and conditions are subject to change.*

## RPL and Credit Transfer

Recognition of Prior Learning (RPL) is available for learners with relevant workplace experience and existing skills.

Credit Transfer is available for units previously completed with another RTO.

## Pathways

**Educational pathways:**

- Advanced Diploma qualifications
- Bachelor degree programmes in business and management
- Specialist business qualifications

This qualification provides advanced business management capability and opens pathways to higher education and senior management roles.

## Why Study With Us?

At Vanguard Business Education, we are not just a training provider - we are a partner in your success.
